

SONG

Every Single Little Thing

Lyrics and music Stephen Fischbacher, Fischy Music

Em

A little bit of imagination, a little bit of inspiration

B Em

Everything, everything

Em

A little bit of energy, a little bit of creativity

B Em D7

Everything, everything

G Bm C D

Every single little thing our young people bring (x2)

Em

Our church is singing, we're celebrating

A little bit of awkward questions, a little bit of new directions

Everything, everything

A little bit of shaking up, a little bit of waking up

Everything, everything

Every single little thing our young people bring (x2)

Our church is singing, we're celebrating

A little bit of playfulness, a little bit of untidiness

Everything, everything

A little bit of simplicity, a little bit of authenticity

Everything, everything

Every single little thing that everyone brings (x 4)

Our church is singing, we're celebrating

Our church is living, we're celebrating

We're celebrating
