

Here are the second lines of some hymns, all in CH4.

Can you remember the first lines?

They all have the words 'love' or 'loves' in them.

1	joy of heaven, to earth come down
2	I rest my weary soul in thee
3	whose goodness faileth never
4	it shines on me
5	in the midst of the darkness, shining
6	our wakening and uprising prove
7	for the Bible tells me so
8	my saviour's love for me
9	no change my heart shall fear
10	how vast beyond all measure
11	all will be well
12	love all lovely, love divine
