

Church of Scotland
St Andrews Hope Park and Martyrs
SC014934

Green Shoots Project Development Worker

Background

Hope Park and Martyrs Parish covers part of St Andrews town centre and includes various types of student accommodation. We are an open and inclusive congregation drawn mainly from the town, and seek to reach out to the local community through various groups, including a small but enthusiastic Messy Church which meets on the last Sunday of the month.

The Green Shoots Project has two main aims:

- to develop existing children and family work by encouraging discipleship and building faith through Messy Church;
- to create more links with the town's large student population.
