Information on Asking Questions, Making Comments, Moving Motions and Voting at GA 2022

The Standing Orders govern how business is conducted at the General Assembly. They are included further on in this Order of Proceedings; please familiarise yourself with them before the Assembly opens.

Below is a summary of how you can do some key things at the Assembly; for the full picture you need to read the Standing Orders and also the proposed amendments to Standing Orders for this “hybrid” Assembly, 2022.

ASKING QUESTIONS

You will see from the Standing Orders that questions are always in order (SO 45). However, the usual time for questions is once a Convener has presented the Report and moved the deliverance. At this point the Moderator will ask for questions.

It is best to ask general questions about a Standing Committee’s Report or work under section 1 of the deliverance (“Receive the Report”). For a more specific matter, you should ask your question when the Assembly is considering the relevant section of deliverance.

If you are in-person: You can register a “request to speak” on the Assembly Hub as set out in the subsequent paragraph. Alternatively, there will be stations placed in the Hall where you can use your commissioner number to enter a “request to speak” against the relevant section(s) of deliverance. Be ready to speak at a microphone in the Hall.

If you are online: To ask a question you should register a “request to speak” on the Assembly Hub against the appropriate section of deliverance.

MAKING COMMENTS

General comments should be made when section 1 (“Receive the Report”) is being considered; more specific comments should be made when the Assembly is considering the relevant section of deliverance.

If you are in-person: Again, you can use your commissioner number to register a “request to speak” on the Assembly Hub as set out in the subsequent paragraph. Alternatively, there will be stations placed in the Hall where you can enter a “request to speak” against the relevant section(s) of deliverance. Be ready to speak at a microphone in the Hall.

If you are online: Again, you should register a “request to speak” on the Assembly Hub against the appropriate section of deliverance.

MOVING MOTIONS

At each Assembly various “motions” are considered. These mainly consist of the proposed sections of deliverance appearing in Reports from Standing Committees. However, any Commissioner can move a motion to amend a proposed section of deliverance, offer an alternative section to the one proposed or to add a new section of deliverance. (To remove a section of deliverance, see below).

If you want to do any of these things, you need to submit a Notice of Motion to the Clerks. It helps everyone if you can give as much advance notice as possible of your motion. The Clerks may contact you about the text of your proposed motion.

Types of motion

When you prepare a Notice of Motion, you need to decide what sort of motion you want to propose. Options are:-

- **amendments** – adding words to or removing words from a proposed section of deliverance but leaving the basic meaning intact. You can also propose an amendment to another commissioner’s amendment.
- **counter-motions** – proposing an alternative to an existing proposed section of deliverance which, if approved, would be distinctly different from the section proposed by the Standing Committee (i.e. if your counter-motion is accepted by the Assembly it would mean that the originally proposed section falls).
- **new section of deliverance altogether** – adding to the Standing Committee’s work or affirming a priority. Such a motion needs to fall within the relevant Standing Committee’s remit and for this type of motion you must give the relevant Convener reasonable notice in writing.
- **If you simply don’t think that the Assembly should accept a proposed section of deliverance**, there is no need to move a motion stating the direct negative. Instead, when the Assembly is considering that section of deliverance, you should speak to explain why you encourage a vote against it.

The Moderator is the final judge of the category into which a motion falls.

How to submit a Notice of Motion:

If you are in person: If you are in the Hall with a device enabling you to do so, you can use the Assembly Hub as in the subsequent paragraph. Alternatively you can email a duly completed notice of motion form to the Clerks of Assembly using pcoffice@churchofscotland.org.uk, or you can complete and return to the Clerks at the top table or to the Assembly Office a paper notice of motion form.

If you are online: You should use the Assembly Hub to register a notice of motion in advance in respect of the relevant section(s) of deliverance. Details of how to submit a motion through the Hub will be shared at the training events and in a video to be available to you.

Procedure for taking Notices of Motion:

If you are in person: You should be ready to speak at a station in the Hall.

If you are online: You should register a “request to speak” on the Assembly Hub in respect of the relevant section of deliverance.

When the Assembly reaches the appropriate place in the debate for your motion to be moved, the Moderator will know that you have already put forward a Notice of Motion, either because it will be visible in the Assembly Hub or it will be with the Clerks. The advantage of using the Assembly Hub will be that other Commissioners will be able to see your motion in advance; they will also be able to second your motion using the Assembly Hub. Alternatively, a motion can be seconded by an in person commissioner in the Hall. All motions must be seconded. If no one is willing to second it, your motion falls.

Once your motion has been seconded, the Moderator will ask you to read what you propose (or the Clerks will do this) and the text will be shown on the screens in the Hall and the live feed. The Moderator will then invite you to tell the Assembly why you believe your proposal is the right one. You have up to five minutes to speak.

Seconding can be formal so a seconder does not need to speak in support of a proposal but if they wish to do so, they should also be ready, depending on whether they are in person or online, to speak at a station in the Hall or to register a “request to speak” on the Assembly Hub.

Once you have moved your motion, there will be debate at the end of which you will be asked if you wish to say anything else to convince the Assembly. After that, the Convener presenting the Report will be asked to give their response and then the Assembly will decide on the matter by voting.

VOTING

If you are in person: You will vote using a bluetooth handset supplied to you at the Hall.

If you are online: You will vote using the Assembly Hub.

Also, at this Assembly, we will trial a process for **quick approval of certain sections of deliverance** rather than taking a formal vote on every occasion. This will involve the Moderator ascertaining the view of the Assembly by asking in person commissioners to stamp their feet or stand and at the same time asking online commissioners to “raise a hand” on Zoom.

Overture

Overture to amend the International Presbytery Act 2016 (Act II 2016) (as amended)

From the Presbytery of International Charges

Whereas:

1. It has become evident that certain provisions of The International Presbytery Act 2016 (Act II 2016) (as amended) [hereinafter referred to as 'the Act'] require amendment and that certain new provisions are required to ensure the proper functioning of the Presbytery of International Charges [hereinafter referred to as 'the Presbytery'].
2. The Presbytery has consequently been in discussion with the relevant central bodies of the Church regarding the following main areas of the Act that require amendment:
 - (a) the basis on which ministers are appointed to Charges in the Presbytery; and
 - (b) vacancy procedures in the Presbytery.
3. With regard to the basis on which ministers are appointed, it should be noted that the concept of ministers being "holders of an office" as understood in Scotland has no meaning in most of the legal jurisdictions in the Presbytery and that ministers are therefore required to have contracts of employment. The arrangements contained in s.2 of the draft Act in the Appendix reflect the discussions had with the Office of the General Assembly and the Legal Questions Committee and others on this matter.
4. With regard to vacancy procedures, it has been agreed in discussions with the Office of the General Assembly and the Legal Questions Committee and others that a new structure is required in the Presbytery to take account of the responsibility of congregations to provide for the funding of ministry costs and to ensure procedures that broadly reflect the practice in Scotland but which take account of the different realities of the Presbytery. The relevant procedures are set out in Schedule 5 in the draft Act in the Appendix.

It is humbly overtured by the Presbytery of International Charges to the Venerable the General Assembly of the Church of Scotland, that the General Assembly approve the proposed amending Act set out in the Appendix.

Or to do otherwise as to your Venerable Court may seem good.

Proposed Deliverance

The General Assembly:

1. Receive the Overture.
2. Pass the Act amending The International Presbytery Act (Act II 2016), as amended, as set out in the Appendix.

Appendix

ACT AMENDING THE INTERNATIONAL PRESBYTERY ACT (ACT II 2016) (AS AMENDED)

Edinburgh, [] May 2022, Session []

The General Assembly hereby enact and ordain that The International Presbytery Act (Act II 2016), as amended, shall be further amended as follows:

1. By deleting in Schedule 1 to the Act the Charge of Costa del Sol.
2. In Schedule 2 of the Act:
 - (a) by inserting a new section 1 as follows and renumbering the following paragraphs:

"1. Appointments to Charges

 - (1) As the concept of "holder of an office" is not one recognised in most jurisdictions in the Presbytery, ministers elected to a Charge shall, while continuing to be holders of an office in Church law, enter into a contract of employment with the Kirk Session in such form as may be required in the relevant legal jurisdiction. It shall be a term of all such contracts that, where the minister is a minister of the Church of Scotland, he or she must retain his or her status as a minister of the Church of Scotland and that, where the minister is the holder of a Restricted Certificate of Eligibility under s.12(c) of the Admission and Readmission of Ministers Act (Act ZZ 2022), he or she must both retain their status as a minister of their denomination of origin and not have their Restricted Certificate of Eligibility withdrawn by the Church of Scotland.
 - (2) For the avoidance of doubt, all ministers in Charges remain subject to the discipline of Presbytery and the General Assembly and neither the congregation nor the Kirk Session has any power to dismiss the minister save that the Kirk Session shall be required by the Presbytery to terminate a minister's contract of employment where the minister no longer retains his or her status as a minister of the Church of Scotland or in his or her denomination of origin, or where the minister has been introduced with a Restricted Certificate of Eligibility and this is withdrawn by the Church of Scotland; a Kirk Session may also be required by the Presbytery to terminate a minister's contract of employment in terms of paragraph 4 of this Schedule 2."
 - (b) by inserting in what is currently paragraph 1.1 after the words "Church of Scotland" the following: "and holders of a Restricted Certificate of Eligibility under section 12(c) of the Admission and Readmission of Ministers Act (Act ZZ 2022)."

- (c) by deleting in the first sentences of what are currently paragraphs 1.2 and 1.3 the word “inducted” and replacing it with the word “introduced”.
- (d) By inserting a new paragraph 4 as follows:

“4. Termination of employment

If at any time a Kirk Session determines that it will be unable to fulfil the financial commitments it made at the time of introduction regarding payment of the costs of ministry for more than 3 months ahead, it will notify the Presbytery Clerk and the appointment of the minister shall be terminated by the Kirk Session if the Presbytery so instructs, and the Presbytery shall bear the cost of (i) any statutory compensation payable to the minister, (ii) up to a further 3 months’ salary from the date of termination, (iii) the reasonable cost of travel back to Scotland (or other country from which the minister came on taking up the appointment) for the minister and family residing with him or her, and (iv) removal expenses (back to Scotland or the country from which the minister came) for furniture and personal effects up to a maximum of 25 cubic metres.”

- 3. By inserting a new Schedule 5 as follows:

**“SCHEDULE 5
Vacancy Procedures**

On the occurrence of a vacancy or prospective vacancy in any Charge in the Presbytery, the provisions of the Vacancy Procedure Act (Act VIII 2003 as amended) (hereinafter referred to as ‘the Act’) shall apply only in so far as not inconsistent with the following provisions, which following provisions shall in that event prevail:

1. Vacancy Procedure Committee

As soon as the Vacancy Procedure Committee is aware of a vacancy or prospective vacancy, it shall:

- a) determine the release of the minister and the date on which the Charge will become vacant (in terms of s.4 of the Act);
- b) appoint an Interim Moderator for the Charge;
- c) appoint an Advisory Committee; and
- d) issue to the Kirk Session (or, where there is a financial board, to that board) of the vacant congregation, for completion and return, a Vacancy Schedule in a form specific to the Presbytery to set out (i) the details of congregational income, (ii) the proposed arrangements for payment of ministerial costs and expenses, and (iii) the costs and arrangements for the provision of a manse. The provisions of s.10(1) and (2) of the Act shall not apply.

2. Effective Date of Decisions of the Vacancy Procedure Committee

The Presbytery Clerk shall issue notice of the decisions of the Vacancy Procedure Committee in terms of Sch. A of the Act to the congregation and by email to all members of Presbytery, including the provision that these decisions shall become effective 7 days after notice is given, unless the Clerk receives valid notice under s.2(2) of the Act.

3. Vacancy Schedule

The Kirk Session or financial board of the vacant Charge must complete and return the following items to the Presbytery Clerk: (i) the Vacancy Schedule in the form provided by Presbytery, (ii) an Extract Minute of the Kirk Session “making a commitment fully and adequately to financially support the ministry” in the Charge and (iii) a duly completed Manse Condition Schedule.

4. Manse

Following receipt of the completed Manse Condition Schedule, the Fabric Committee of Presbytery shall arrange for the inspection of the manse and shall report to the Vacancy Procedure Committee on what action (if any) requires to be undertaken by the congregation before a date can be set for any introduction of the minister. The decision of the Vacancy Procedure Committee on considering that report will be advised to the Kirk Session, along with an instruction to carry out whatever works are required.

5. Permission to Call

- (1) On the Vacancy Procedure Committee being satisfied with the completed Vacancy Schedule, Extract Minute and Manse Condition Schedule and being satisfied that the Charge has no current or accumulated shortfalls in its contributions to central funds, that the Charge can pay the costs of a minister in terms of the Vacancy Schedule and that the provisions of s.5 of the Presbytery Mission Plan Act (Act VIII 2021) are complied with, it shall consider whether it may give permission to call a minister in terms of the Presbytery Mission Plan approved under Act VIII 2021.
- (2) Any decision to grant permission to call shall be subject to the provisions of s.2 of the Act. For the avoidance of doubt, the provisions of section 8 of the Act do not apply.

6. Profile

The Kirk Session of the vacant congregation in preparing a draft Profile (once permission to call has been granted) shall include in it details from the Vacancy Schedule, including particularly details of salary level and ministry costs and the congregation’s income, and shall also make reference to the Presbytery’s Guidance for Ministers Taking Up or Demitting a Charge.

7. Eligibility for Election

For Charges in the Presbytery, section 18 of the Act shall include the holder of a Restricted Certificate of Eligibility in terms of section 12(c) of the Admission and Readmission of Ministers Act (Act ZZ 2022).

8. Sustaining the Call

Once the Presbytery Clerk has received the Call and other required documents (in terms of s.29 of the Act), along with one of the following:

- (i) a Certificate of the minister's registration under Category O on the Register of Ministry, or
- (ii) a valid certificate of completion of training issued by the Faith Nurture Forum (an Exit Certificate) which has not expired; or
- (iii) confirmation from the Faith Nurture Forum that the minister has been granted a Restricted Certificate of Eligibility in respect of the Charge

the Vacancy Procedure Committee will consider sustaining the Call and, provided (a) any works required to the manse have been satisfactorily completed and (b) the following Safeguarding requirements have been met, determine arrangements for the minister's introduction. No call can be sustained until the Presbytery receives evidence of the minister's membership of the PVG Scheme as defined in the Safeguarding Act (Act XVI 2018), or, in the case of a minister who is not a minister of the Church of Scotland, of reasonably equivalent clearance as required by the Safeguarding Service and appropriate to the jurisdictions both where the minister came from and will serve.

9. Guidelines

The Presbytery shall approve Supplementary Guidelines to those referred to in section 34 of the Act to provide details of the vacancy procedures specific to Charges in the Presbytery, in conformity with the provisions of this Schedule 5.

10. Notices

Notices may be given by pulpit intimation or by electronic means or by a combination of these methods."

Overture

Overture as to the allocation of ministry posts

From the Presbytery of Sutherland

Whereas:

1. Background

1.1 The General Assembly of 2021 agreed:

Assembly Trustees: *Note the work done in projecting both the future availability and affordability of ministries across the Church of Scotland and set as a realistic aim that Presbyteries should seek to implement by 2025 Presbytery Plans based around 600 fulltime equivalent ministries and a target of no more than 60 further charges vacant at any one time.*

Faith Nurture Forum (FNF): *Agree the number of ministry posts allocated to each Presbytery set out in Appendix 4 and instruct that this be the figure used in the forming of any Presbytery Mission Plan.*

2. The Presbytery

2.1 The geography of Sutherland is vast, over 2000sq miles including some of the most remote areas in mainland Scotland (5.3 times the size of Orkney). Sutherland stretches north from Dornoch in the east, sharing a boundary with Caithness, and in the west stretches from Lochinver north to Durness and Cape Wrath. Sutherland has a total population of around 13,000. The population may be in some central areas the size of a large urban parish however rural/remote ministry cannot be considered in the same context or culture. *Rural churches and rural communities are different from those elsewhere. small populations, absence of public services, and travel distances and times all make a difference.* (Resourcing Rural Ministry: Simon Martin).

2.2 There are 13 congregations with extensive mileage to cover pastorally for example the nearest crematorium or hospital is on average a 4-6-hour return journey and in some parishes there are journeys of over 2 hours return between church buildings. A rural ministry in Sutherland has historically had much greater mileage, where travel costs are high. With fewer ministry posts, the cost and driving time for ministry across Presbytery would excessively increase and so too the increased risk of incident/accident during remote rural travel.

2.3 There are poor transport links and reduced internet coverage, both of which lead to increased isolation. There is a majority of single track roads which become congested during the Tourism season from March until October (294,000 visitors: North Coast 500 Economic baseline study 2017). Unlike urban communities where transport services are readily available, any reduction in ministry will impact on missional outreach, the number of services that can be held and deprive many faithful elderly church members who are not computer literate or have poor or no internet access from gaining inclusion to **any** worshipping Christian community and to regular Christian fellowship.

2.4 The main employment for the rural population in Sutherland is of increased Tourism, Fishing and Farming/Crofting. The Presbytery are aware of the pastoral and missional needs in these areas and the need for an **increased** ministry that is pioneering although some of which has already been initiated.

3. The Mission and The Ministry

3.1 As a Presbytery we firmly believe the ministry and mission of the Gospel is relational: to Love God and to love one another. The Presbytery of Sutherland's efforts to achieve the missional aims of the Faith Action Plan are to establish new worshipping communities from crofters to campers, to engage with the under forties, to reach, teach and baptise. We are deeply concerned this will be unreachable with the reduction to ministry as proposed.

3.2 The Presbytery at present has an allocation of 7 fulltime ministry posts of word and sacrament. The present allocation still does not fully cover the needs of the parishes and congregations. There are presently 2 additional parishes where ministry is covered by an OLM and a Locum.

3.3 Presbytery has considered many configurations of the allocated 4 fulltime equivalent ministry posts. Due thought was given to creating part-time posts. There are continued difficulties of filling part-time ministry posts in the area due to an increased cost of living in food and fuel (there is no supermarket on the North Coast) and lack of accommodation, meaning that a person in a part-time post would be unable to fund themselves and their calling to ministry. Sutherland Presbytery alongside many other rural/remote presbyteries continues to have the need /permission to offer an increased PayScale incentive for newly ordained in rural ministry.

3.4 The Presbytery recognise the need for a ministry reduction as agreed by the General Assembly of 2021 and believe that an effective mission plan would be possible with six posts but not with four. The proposed reduction of three of the existing fulltime ordained posts will reduce the Christian witness in Sutherland especially where other denominations are already stepping back from the area. The reduction in ministry time would also reduce the perception of our Church's value and life as it would cease newly launched initiatives within the rural culture and context in the life, faith and industry of Sutherland, initiatives that are already beginning to deliver on these mission objectives.

3.5 There is also a deep concern for the duty of care to ministers. Consideration needs to be given to the additional responsibilities placed, more extensive travel, increased isolation, and the ending of existing mission projects due to inadequate resources. These factors might lead to additional risks to the mental /physical / spiritual well-being of already stretched ministers within a large rural remote Presbytery.

4. Budgetary implications of this proposal

Once the financial information for the Unincorporated Entities is published in the Assembly Trustees' Supplementary Report, the Presbytery will consider that and will seek to liaise with General Treasurer so as to be in a position to make oral suggestions at the Assembly as to where the money for the additional posts might be found, or where money might be saved elsewhere to release money for the posts, but in view of the deadline in Standing Orders for an Overture (24 April), it is not possible to say more in this Overture.

Therefore:

It is humbly overtured by the Presbytery of Sutherland to the Venerable the General Assembly of the Church of Scotland, that the General Assembly should agree to increase the allocation of fulltime equivalent ministry posts for the Presbytery of Sutherland from four to six to enable effective Presbytery Mission Planning that evidences the Five Marks of Mission.

Or to do otherwise as to your Venerable Court may seem good.

Proposed Deliverance

The General Assembly:

1. Receive the Overture.
2. Agree that:
 - a) the allocation of fulltime equivalent ministries posts for the Presbytery of Sutherland should be increased from four to six, and
 - b) the overall number of fulltime equivalent ministries posts by 2025 on which Presbyteries should base their Mission Planning should be increased from 661 to 663.

Report

1. FINANCE

1.1 AUDIT OF ANNUAL ACCOUNTS FOR 2021

The external auditors gave an unqualified or “clean” audit opinion on the Report and Accounts of the Unincorporated Entities Scottish Charity Number 011353 (the “Charity”) which is a very positive outcome given the current operating environment. The General Assembly is invited to receive the 2021 Report and Accounts of the Unincorporated Entities. Commissioners are invited to view the Report and Accounts on the Church’s website.

2. CONGREGATIONAL INCOME

Introduction

Section 5 of the Trustees’ main Report describes the challenging financial situation facing the whole Church. The income of congregations has understandably been affected to varying degrees by the Covid-19 Pandemic. The analysis carried out indicates, with a high level of certainty, that the aggregate income of congregations will not recover to pre-Pandemic levels during 2022 or 2023. Beyond that, it is very difficult to forecast the potential levels of income for the following reasons:

- The continuing Covid-19 Pandemic: The number of church members who return to in-person worship; the timing and extent to which “normal activities” are resumed; when and if organisations return to meeting in church halls; and whether there has been a permanent effect on giving.
- The continued decline in church membership: A 34% reduction was seen between 2011 and 2021 with no indication of this trend reversing from 2021 congregational data.
- Presbytery Mission Plans: Previous data tells us that income reduces when congregations unite and dissolve. It is highly likely that income will reduce as more congregations are united or dissolved as a result of Presbytery Mission Plans. We cannot forecast the results of this until the planning process is complete and plans are available for assessment.
- Global and economic uncertainty: Congregational income has not kept up with inflation even during the years when inflation was at very low levels. Church members and supporters will now be adversely affected by the increasing cost of living, putting pressure on their ability to maintain their giving at a time when church income needs to increase just to keep pace with rising costs.

Whilst further mitigating actions will be required, it is highly unlikely that income will recover to the 2019 level.

Notwithstanding the above, the Church still has almost 284,000 members as well as a significant number of other attenders and supporters, and almost a third of congregations report new worshipping communities. These members and supporters contribute to their own congregations, to projects of the wider Church and to special appeals for help, showing a level of commitment and compassion that embodies what it means to be church. The Trustees continue to be encouraged by these tangible expressions of faith. By way of an example, as at 31 March 2022, donations of £230,000 had been received for onward transmission to the Reformed Church in Hungary: Aid which will be directed to its work with Ukrainian refugees arriving in Budapest.

There remains considerable potential to grow our income as a Church and the Trustees encourage congregations to embrace the new *Giving to Grow* scheme to realise this potential.

2.1. Mitigating the Risk of Declining Income

Should this potential decline in income simply be accepted or is there something that can be done to prevent it? How can this risk be mitigated? Opportunities remain for the development and implementation of strategic initiatives on income generation at local, national and Presbytery levels. Presbytery Mission Planning takes account of the financial health of congregations and builds on success. This can also be progressed by individual congregations by engaging in programmes of Christian Stewardship, by engagement with the Congregational Task Group and by recognising that, as a Presbyterian Church, congregations blessed with financial resources have an obligation to support congregations who are not.

Our Stewardship Team can advise on many practical matters such as how to explore Christian stewardship in its broadest sense using the *Narrative of Generosity* resource; enabling giving through a range of accessible ways including digital methods; promoting the impact of legacy giving; and helping congregations get the basics right to maximise income. The Team can be contacted at stewardship@churchofscotland.org.uk. We would encourage you to get in touch for a conversation; that first step can be a catalyst for helping your congregation improve its sustainability.

We urge congregations and Presbyteries to embrace the new *Giving to Grow* Scheme. Income needs to grow as one of the elements that will help underpin the overall sustainability and growth of the Church. This is a stewardship and missional imperative. Income is not an end in itself.

People are our most valuable resource and this is reflected in the new Scheme which recognises that charges should first pay for their minister ("Ministry Here"). They should also, as part of a Presbyterian Church, contribute to the cost of ministry in other places ("Ministry Elsewhere") and to the activities which provide support for the Church's mission as well as ensuring it complies with statutory regulations, safeguarding functions and best practices ("Shared Activities"). The Scheme thereby encourages congregations to envisage how their efforts can work towards a healthy financial future for their own church, for congregations in other places and for shared work within their Presbytery and beyond.

Where a congregation is in a position to do more, the Scheme allows for Giving Agreements between Presbyteries and congregations towards local or national initiatives and we commend the imaginative use of these.

We have also seen how congregations have benefited from successful grant applications to external funds and would highlight that grants received are not included in the income base for calculating assessable income of congregations. The Church's grants manager, David Williams, is working to support the grants process from identification of opportunities through to supporting the submission process. Email David at grants@churchofscotland.org.uk.

2.2. Analysis of Congregational Income

Appendix I sets out the actual and projected congregational income over the years 2019 to 2023. It should be noted that the congregational income on Appendix I excludes income which is not assessable – such as legacies, grants, receipts for major fabric projects, etc, which are assumed to be used exclusively to meet local congregational expenditure. It also does not include endowment, glebe and consolidated fabric fund income.

The Trustees' main Report states that congregational income decreased by 15%, £12.4 million, between 2019 (pre Covid-19) and 2020. The analysis in Appendix 1 shows a total decrease of 17.7%, £15.4 million. This difference is because the 'Other Ordinary Income' figure in Appendix I excludes income from the Consolidated Fabric Fund and glebes and endowments. In terms of offerings specifically, there was a decrease of 13.1% over 2019 and 2020.

Provisional assessment of 2021 income, based on a 65% return rate of Financial Statistics from congregations, shows that ordinary income increased by 1.3%. Looking at offerings in isolation, an increase of 1.9% is estimated for 2021 compared to 2020. Total offerings based on these returns are estimated at £64.32 million compared to £71.06 million in 2019 which was the last pre-Pandemic year. However, other ordinary income *decreased* by a further 3.3% over 2020. Other ordinary income is more difficult to predict than offerings which have proven to be more resilient and make up the majority of income. The estimates will be further refined when all congregational accounts have been received and analysed. However, the data indicates that any recovery is very tentative and no firm conclusions can be drawn on future trends at this point.

Projections have been made for 2022 and 2023. These assume that offerings continue to be relatively flat from 2021 to 2022 with more recovery in 2023 (an increase of 5.5%). We also assume a continued recovery of other ordinary income in 2022 and 2023.

Based on these estimates, the amount retained by congregations for local expenditure in 2023 will be an estimated 52% (2022 – 44%).

2.3. Analysis of Congregational Reserves

Congregations' accounts as at 2020 have been analysed to establish how much their unrestricted reserves have been affected by the Pandemic. The results show that unrestricted reserves decreased by 3.6% from £117.33 million to £113.30 million when comparing 2019 to 2020. The 2021 position will not be known until the 2021 accounts have been analysed later in the year.

The Trustees' decision to reduce the aggregate congregational contributions from £46.5 million in 2020 to £38.1 million in 2021 and £42 million in 2022 was intended to allow congregations to both protect current reserves and replenish some of the reserves they had used to maintain their activities.

2.4. Presbytery Discretionary Allowance

The unused proportion of the 5% Presbytery Discretionary Allowance will remain available for carry forward up until December 2023.

2.5. National Budget

The 2021 General Assembly approved the introduction of the new *Giving to Grow* scheme which replaces the Ministries and Mission scheme. Therefore, instead of recommending an amount of congregational contributions to the General Assembly, the Assembly Trustees present in Appendix II estimates of congregational contributions receivable under *Giving to Grow* together with the budgeted expenditure and other income of the Unincorporated Entities for the year 2023, and forward budgets for 2024-2027. The budgeted deficit for 2023 is £8.717 million.

2.6. National Budget – Overview

The budget reflects the significant amount of change the Church is going through over the next five years, which is worth restating: Presbytery Mission Plans, the *Giving to Grow* Scheme and funding of the new Presbyteries. Congregational contributions to the national budget will reduce, as will the cost of Parish Ministry, driven by reducing numbers. The cost of funding the new Presbyteries is included as a new area that requires funding with an initial agreement to cover the baseline budget over the next five years. The budget currently maintains the status quo in terms of national office operating costs following the reductions successfully achieved over 2020 and 2021. Plans are being developed to further reduce central costs through a programme that will be focused on "Stopping, Devolving and

Evolving" work. Future iterations of the budget will propose a different direction in this respect with reducing national office costs.

In order to fund and achieve the necessary changes that have been identified, the draw on national reserves, totalling £39.2 million over the period 2023 to 2027, is necessary in the most immediate years at least. This is despite having achieved the substantial savings targeted by the 2019 GA, which emphasises the further degradation in the Church's financial position over the last two Pandemic years. This needs to be addressed as a matter of urgency by the national administration embarking on the following three-step process for determining and mapping out the organisation's short and long-term financial goals in support of the Church of Scotland's vision:

- Planning to provide a framework for the Church's financial objectives – covering the next five years.
- Budgeting to detail how the plan will be carried out month to month for the current financial year (2022) covering items such as revenue, expenses, cash flow and deficit reduction. Monitoring our situation on a monthly basis will allow us to adjust the budget depending on actual income and compare actual financial statements to determine how close they are to meeting or exceeding the budget.
- Forecasting will utilise both our historical data and current data to enable predictions as to how much revenue we can expect to bring in over the next few months and years. Forecasts will be continually adjusted as new information becomes available.

Continual planning and rolling forecasts will be used to update plans, budgets and forecasts throughout the year. These approaches will help us to spot trends and take appropriate action, ensuring that we are better informed and can make more agile decisions on both forward plans and staffing levels.

2.7. Budgeted Congregational Contributions

We have carried out extensive financial modelling on the potential income to be raised through *Giving to Grow* although, as already mentioned, until we have had sight of all Presbytery Mission Plans we cannot forecast the financial impact of the Presbytery Mission Planning Act on congregational income.

Congregational contributions for 2023 will be based on the assessable congregational income for 2021, which we cannot accurately estimate until accounts have been analysed later in 2022. Therefore, the approach taken to estimate assessable income has been to apply an increase of 2% to the 2020 assessed congregational income from congregational accounts which is the most accurate information at this time. This has been tested against the returns of congregational financial statistics returns for 2021. It is judged that 2% is a realistic amount to use for 2023, the base year for the new Scheme. As already mentioned, Appendix I shows a slightly lower rate of improvement but does not include endowment, glebe or consolidated fabric fund income.

Giving to Grow links income to the cost of ministries and caps the contributions payable by a Charge at the cost of the Charge's allocated post or posts of Minister of Word and Sacrament. For this reason, *Giving to Grow* contributions in later years are reduced in line with the predicted number of minister posts. Unlike the previous system, the intention is that as congregational income grows, the contributions will not continue to rise. On this basis, the aggregate congregational contributions to the national budget would decrease from £42 million in 2022 to £32.21 million by 2027. It must be emphasised that these are estimates which will be continually reviewed. The risks to congregational income outlined in the introduction and the impact on these contributions should not be underestimated.

2.8. Parish Ministry Costs

The observed reduction in the cost of Parish Ministry is a result of increasing retirements of ministers due to the age demographic which has not been matched by a corresponding recruitment of new ministers. The Presbytery Mission Plan Act requires a Plan to be based on the Presbytery's allocation of ministries posts. The total number of such posts for the Church was agreed by the General Assembly of 2021 under the Report of the Assembly Trustees which reflected both the natural decline in numbers of ministers and future affordability. This number was then shared across the Presbyteries under the Report of the Faith Nurture Forum. However, from the budgets outlined in Appendix II, it can be seen that what the Church can afford will continue to diminish unless urgent action is taken. We are continually reviewing the ministry numbers but they are difficult to forecast. The number of Parish Ministers and Ministries Development staff included in the budget decreases from 731 full time equivalents at the end of 2022 to 610 by the end of 2027. Provision is made in the budget for interim and transition ministers, probationers, deaf ministries and ministers in training from overseas or other denominations. The total cost of these Parish Ministries will decrease by £6.1 million in 2023 from £35.8 million to £29.7 million in 2027.

2.9. Strategic Investment

The forward plan requires up-front investment to enable the identified changes and efficiencies to be implemented. Old and out-dated practices need to be modernised, streamlined and automated. The Church as a whole and the national administration, to which this budget relates, should not be holding under-performing assets including properties. There needs to be investment in some property assets to maintain their value, meet energy standards and improve income. Properties which are surplus to requirements should be disposed of. CrossReach will expend some £500,000 on improving particular service units to enhance its service provision and income and to improve energy standards, and the Housing and Loan Fund will spend c£1 million on its property improvement strategy.

There will be investment in Information and Communications Technology development projects. This will include introduction of a comprehensive document management system that will provide a controlled, accessible and secure single source of all of our information. Seed funding is being provided for projects to develop digital ministries and new congregational initiatives are being supported through grants from the Small Grants Fund and Pioneer Mission Fund.

Perhaps the most significant strategic investment will be the funding being provided to enable the start-up of the new Presbyteries and the transition from the Ministries and Mission Scheme to *Giving to Grow*. £1.44 million per

annum is budgeted for the new Presbyteries and £638,000 (reducing over three years) for transition funding for those congregations who will struggle initially to pay the increased payments towards a Minister under the new scheme.

A specific contingency of £1.478 million is included under Strategic Investment to provide for cost of living increases on salaries and stipends and any short-term changes in the staff cost profile following the pay and grading and organisational reviews.

These strategic investments will cost some £5.5 million overall in 2023.

Exclusions from the strategic investments are the costs of the *Seeds for Growth Fund* which will be incorporated when the plan is developed and agreed for launch in January 2023. Likewise, there are no costs included for any reconfiguration or sale of the National Office until a decision has been made on this by the General Assembly of 2023.

2.10. Budgets of the Forums and Departments

The 2023 budgets of the Forums and Departments will largely be held at the level of 2022 subject to reducing ministerial numbers. For subsequent years, the indicative budgets show minimal change until such time as planning to provide a framework for the Church's financial objectives is developed covering the next five years. The budgets will be adjusted on a continual basis.

Budgeting for the national finances is now focused on expenditure, with managers being accountable for achieving these expenditure budgets. The work of the two Forums is being refocused into the Faith Action Programme which is under development. However, expenditure will be contained within the existing parameters.

Faith Nurture's expenditure budget of £4.4 million covers all costs relating to Parish Ministry other than the direct "employment" costs of Parish Ministries. Other Forum costs include the cost of recruiting, training and supporting ministries and the eldership; Partnership Development and Priority Areas. The Forum is also responsible for two trading areas: Life and Work magazine and the Scottish Storytelling Centre.

Faith Impact's budget of £1.9 million includes an annual block grant of £85,000 to Christian Aid. The Forum, through the residual World Mission Council as the employing agency, employs nine mission partners and provides grant funding to support its programme of attentive accompaniment of partner churches and organisations overseas. The budget also includes expenditure of the Policy and Public Affairs unit which gives the Church a voice on parliamentary and political developments.

The indicative budget shown in Appendix I does not include the work of the Church of Scotland entities in Israel which are not constituent parts of the Charity. However, the results of all of these entities are included each year in the Church's consolidated ("Group") Annual Accounts.

The Office of the General Assembly budget is also held constant at just over £1.2 million per annum. However, this will be kept under continual review and is likely to reduce as reforms are introduced.

The Support and Services departments' costs are shown before income from other entities. These departments provide services not only to the Unincorporated Entities, but to the General Trustees, Investors Trust, Church of Scotland Trust, Presbyteries and congregations. Again, these are being held constant until organisational plans have been developed. The Facilities Management budget includes, as in 2022, costs of essential fabric and rolling maintenance in the National Office.

2.11. CrossReach

CrossReach's deficits will range from £2.4 million in 2023 to £1.89 in 2027, including the annual £500,000 property investment detailed above. This is *before* allocating any congregational contributions or other financial assistance which the Trustees will decide upon later in 2022.

The budget does not include the cost of CrossReach becoming a full Scottish Living Wage employer but does include the estimated unfunded element of front-line care workers' increases as agreed by the Assembly Trustees. It is assumed that there will be continued progress towards a Social Care Scottish Living Wage of £12 an hour, with Operational Services having to assimilate the cost annually, after a period of discussion with commissioners.

While Covid-19 continues to present particularly difficult challenges within the care sector generally and to CrossReach, the assumption for the budget is one of a "living with Covid-19" situation with no exceptional costs included for this.

Services will continue to take appropriate steps towards financial sustainability but otherwise the budget at this point does not allow for any change in strategic direction or closures of services.

During 2022/23, the Trustees will take up once again the instruction of the 2019 Special Commission to consider how CrossReach may become financially self-sustainable.

2.12. Other Funds

These are other entities and trusts which are included in the Charity, most significantly the Housing and Loan Fund but also including New College. This is the first year the Other Funds have been included in the budget presented to the Assembly for completeness. These are included in our statutory accounts as part of the Charity and in our monthly reporting. As already mentioned, the Housing and Loan Fund Trustees are undertaking a property improvement programme to ensure:

- a) that all of their properties are at Energy Performance Certificate Level C by 2028, moving them towards the Church's net zero aspirations; and
- b) a more proactive spending regime on their properties for the benefit of the beneficiaries and as a sensible investment in the property portfolio.

The Other Funds have a budgeted net expenditure of £523,000 in 2023.

3. SYSTEMS OF INTERNAL CONTROL

3.1 Role of the Audit Committee and Internal Audit

The Trustees are responsible for maintaining adequate systems of internal control. The Audit Committee's remit includes responsibility for reviewing the adequacy and effectiveness of the internal financial controls. This function is delivered by Azets as the appointed Internal Auditors alongside the work of the Church's own Audit and Compliance Officer. Azets produce an annual programme of work in consultation with the Committee, Chief Officer, General Treasurer and Director of Finance and Resources for CrossReach. This is based on an assessment of audit risk which seeks to ensure that all the main areas of activity are periodically reviewed. Audit reports are submitted at the end of each assignment and an annual audit report is made to the Audit Committee expressing an opinion on the systems of internal control in place in the Unincorporated Entities

Azets conducted a number of reviews as part of their 2021 programme of work covering the following areas:

- financial planning and budgeting
- strategic and corporate planning
- workforce planning (CrossReach)
- validated self-assessment of the Trustee Board.

Azets reported to the Audit Committee that, on the basis of the work undertaken for the year ended 31 December 2021, the Charity has a framework of controls in place that provides adequate assurance regarding the organisation's governance framework, risk management and achievement of objectives, subject to the implementation of a range of continuous improvement actions, addressing the higher-graded matters arising from internal audit reviews. This also applies to historic/backlog action implementation.

4. THE SEEDS FOR GROWTH FUND

The Assembly will be aware that a central element of the Radical Action Plan was the creation of a £20-25 million Growth Fund. The 2019 report of the Council of Assembly noted that in the spirit of the *Church without Walls Report* and in learning from our ecumenical partners it was time to very "deliberately [use] the Church's limited reserves to encourage greater faith-sharing, innovation and creativity at local and regional levels." The report went on to say, "For where your treasure is, there your heart will be also" (Luke 12:34) and it noted that, "there [would be] those who [would] caution that we need to keep hold of these reserves for a rainy day. The reality is, as many would point out, the roof is leaking, and the rain has been coming in for some time in the life of the Church of Scotland."

As soon as the Assembly Trustees were formed work began in earnest to establish this fund and it was the intention of the Trustees to bring an update to the Assembly of 2020 explaining the structure and guidelines for the operation of a Growth Fund entitled *Seeds for Change*. This would have seen the formation of a *Seeds for Change Implementation Group* which would have been ready to invite applications from June 2020 onwards. Detailed work on the various aspects of this scheme had almost been completed when the Covid-19 pandemic struck, and the Trustees were forced to recommend that the planned launch of *Seeds for Change* should be put on hold.

Nonetheless, in April 2020 the Trustees noted that "although proceeding as intended with the *Seeds for Change Fund* is not possible right now, we can position ourselves to be able to act quickly later in the year". Unfortunately, the effects of the pandemic stretched further than any of us imagined at that time, but the Trustees remained at the ready and believe that now is the right time to revisit this crucial strategy.

The pandemic has had a devastating impact at so many levels and there is no hiding from the effect that it has had on the Church's finances. The Trustees' main Report and this Supplementary Report are quite clear that, having managed to eliminate the sources of the deficits of previous years we are now living with the prospect of deficits which have been born out of the changed circumstances which the pandemic has brought.

We will take measures to deal with these, but these measures will not lead to growth in the local Church. We have to be proactive in our approach to Church growth, Church planting and pioneer mission. The trends in relation to our life as a national Church do not lie. For the future, we do not want to be a Church which is asset rich and people poor, so, with the minimum possible delay we must activate this central element of the Radical Action Plan and open a fund which we now consider should operate under the name *Seeds for Growth Fund* with a particular emphasis on the planting of new congregations.

This, in our opinion, is the logical next step following the exceptional and stressful work in Presbytery Mission Planning through which, with the number of ministries which we all hope can be filled and maintained in the foreseeable future, we will be leaner and fitter and in the right place. This initiative is explicitly calculated to meet the aspiration to plant one hundred new congregations across Scotland in the next 10 years and in so doing find new ways to engage with the people of Scotland. Launching this fund two years ago, as first planned, would not have obviated the need for mission planning nor would it have had any bearing on the process of Presbytery reform. With the eventual launch of the *Seeds for Growth Fund* there emerges a different opportunity for fresh expressions of Church life to take root across Scotland.

The landscape against which the *Seeds for Change Fund* emerged has changed markedly. So, in addition to the detailed work that was done in 2019-20 the Trustees will consult more widely with ecumenical partners and with the new Presbyteries in order to ensure that the Fund will be invested in schemes which are expected to be viable and sustainable and to complement approved mission plans. Additionally, it will be essential to ensure that the resources being set aside for this work meet the aspirations and outcomes defined within the Faith Action Plan. To this end it will be important to develop the right interface between Presbyteries and the Faith Action Programme to ensure that the resources available nationally work in harmony with the aspirations of the new Presbyteries. In order to allow for sufficient time in terms of the structure, shape and focus areas for the Fund, including available grant sizes, the Assembly Trustees propose to launch the fund in October 2022 with applications welcomed from January 2023.

It is the aspiration of the Trustees that the value of this Fund (to be named Seeds for Growth) will, over a seven-year period, will be the original proposed levels of £20-25m and will follow the pattern set out for the General Assembly in the 2019 Council of Assembly Report. Core funding will come from the general unrestricted reserves of the Church, but it is to be hoped that the fund will be supplemented by other gifts and donations. The Trustees propose the repeal of the Growth Fund Regulations (Regs 1 2019) and seek their replacement with the Seeds for Growth Regulations (Regs ? 2022) set out in Appendix 3 below. The Fund will be overseen by a Seeds for Growth Implementation Group which will be a Committee of the Assembly Trustees with Terms of Reference set out in the Schedule to Appendix 3.

The Trustees have no doubt that in March 2020 it was right to suspend the implementation of the *Seeds for Change Fund*. However many of the concerns which led to that decision have been addressed or resolved: central costs have been significantly curtailed, Presbytery planning will reduce the intolerable burden of the costs of vacancies, there are no longer major pension deficits in respect of the Church of Scotland Pension Schemes, the cost of participation in the Redress Scheme is now agreed and, importantly, the review of funds is now complete giving clarity as to the level of funds generally available.

The Trustees are equally certain that we cannot delay implementation any longer than is necessary. So, this proposal is offered to the Church with the prayer that it will be embraced by those who are excited about the possibilities of *doing a new thing* (Isaiah 43: 19).

5. PIONEER MISSION FUND

5.1 Introduction

General Assembly 2021 instructed that a Pioneer Mission Fund be established which aimed to support local church growth and had a particular emphasis on church planting and establishing 100 new worshipping communities. In terms of funding, wide ranging support from individuals, businesses and outside bodies was encouraged in addition to central finances being made available. Appropriate provision for the efficient management and evaluation of the fund in addition to the project that supports it were to be put in place. Whilst in time it is foreseen that the Pioneer Mission Fund will become part of the offerings within the *Seeds for Change Fund*, in order to enable this important area of work to proceed, the following is proposed.

5.2 About the Fund

The Pioneer Mission Fund is managed through the Grants Unit of the Office of Assembly Trustees. Assessment and awards will be made through a volunteer panel comprised of representatives with a particular skills and expertise in Pioneer Mission, representatives from Faith Nurture Forum and those with experience in grants management and evaluation.

The fund will be open to applications between April and September 2022 with assessments being made in monthly meetings between June – December or until the monies are exhausted.

The fund will have an initial £100,000 made available from central resources in this and additional years with monies welcomed to be added to this figure from external sources once the fund has been launched (ensuring all appropriate governance arrangements etc. are in place).

Grants of up to £10,000 can be applied for.

5.3 Eligibility Criteria

- Individual Church of Scotland churches and Presbyteries; or
- Groups of churches or Presbyteries; or
- Individuals through and with the support of their church or Presbytery

Only one project at any time from an individual or church can be applied for and awarded.

Presbyteries can hold more than one grant at a time.

A church or Presbytery may also hold a grant from the Small Grants Fund concurrently with an award from the Pioneer Mission Fund.

There will be no limits given on the reserves a church or Presbytery may hold in terms of applicability to apply.

5.4 Criteria for Applications to Fund Projects

Projects should have a revenue project focus. Projects will support:-

- local church growth.
- church planting.
- the establishment of new worshipping communities.

Applicants will be asked to explain how their project will meet each of the following four criteria.

1. Missional – intends to work with non-churchgoers.
2. Contextual – seeks to fit the context of where you are situated.
3. Formational – aims to form disciples.
4. Church – a community shaped by the gospel and seeing itself as part of the worldwide Christian community.

There will be no requirement for match funding although grant applicants are encouraged to identify potential additional sources.

5.5 What Cannot be Funded?

Money cannot be used for:

- Capital based projects including church repairs.
- Covering retrospective costs.
- Making up for reductions in income or covering existing running costs.

5.6 How Financial Contributions Can Be Made to the Fund

The fund encourages monies wider than central resources to be donated from individuals, business and outside bodies. Work has been undertaken to ensure that due diligence is in place to ensure that additional monies coming into the fund are designated in the correct and proper manner. The intention is that monies will be pooled into the central fund for distribution to successful grant applicants. None of this money will be used to support the fund's administration. Further details on how to support the Pioneer Mission Fund can be found by contacting grants@churchofscotland.org.uk

6 CONGREGATIONAL STATISTICS

Grateful thanks are given to Presbytery Clerks and Congregations for their diligence and strenuous efforts in obtaining these statistics and transmitting them to the National Office. The information which follows greatly assists in supporting the understanding of the Church at all levels.

6.1 Summary

- As at December 2021 there were 283,600 members of the Church of Scotland, a fall of 4.6% from 2020.
- In the last ten years (2011-2021) the number of members has fallen by 34%.
- 57% of congregations offered online worship, with 38% offering alternative offline provision. Many congregations are offering a hybrid form of worship in 2021.
- Almost a third (31%) of congregations reported a New Worshipping Community, with a further four Presbytery-wide initiatives.
- Baptisms and Professions of Faith increased in comparison to 2020, to around half of pre-pandemic levels.

Technical Summary

- Numbers at both Presbytery level and national level have been rounded, in line with best practice, to avoid giving a false sense of precision. Numbers that would round down to 0 are indicated with e.g. "<5" to distinguish them from 0s.
- There was a response rate of 92% to questions about membership, leadership etc.
- Ecumenical discussion across the UK and Ireland took place to improve the data quality on alternative worship provision, both online and offline. These questions had a 73% response rate.
- Information on New Worshipping Communities was requested from the General Assembly of 2019 for reporting from 2021. Questions were included in this collection and had a response rate of 61%.
- Collection was made in mixed mode – some reported through the Presbytery Information Management System (PIMS) others through MS Excel, with additional questions through MS Forms or MS Excel.

6.2 Introduction

In response to the Covid-19 pandemic, church buildings remained closed during the first quarter of 2021 with reopening beginning from 26th March 2021. Subsequently social distancing required restricting numbers for many congregations with a number of churches reopening at different times. As a result, and as seen in 2020, churches were not open for physical worship for the same number of weeks and for many with limited capacity throughout 2021.

With this in mind, the 2021 congregational statistics should be read and interpreted in light of the continuing impact of the pandemic and care should be taken with any comparisons to past years particularly in regards to physical attendance and congregational activities.

6.3 Church Membership and Participation, 2021

Congregations within the Church of Scotland come in all shapes and sizes, from large city congregations to small rural or island communities. In a typical congregation there are 176 members and no adherents.¹ There are also:

- 4 children associated with the congregation, but none receiving communion.
- 40 people worshipping in the church, 32 people worshipping online and none offline.
- no professions of faith.
- 8 funerals, no baptisms, and no weddings.
- a leadership of 16 elders.

Only 11% of congregations welcomed new Christians through Professions of Faith. 28% of congregations welcomed new members through certificates and 20% through resolution of the Kirk Session. Children received Communion in 17% of congregations.

Table 1 shows the reported participation at the smallest 5% and 25% of churches, the typical or median (i.e. middle) church, the largest 25% and 5% of churches (i.e. 75th and 95th percentile), and the mean (average) church.

¹ A "typical" congregation is described using the median value as a few large congregations can result in a larger mean value that may not represent the overall data well.

6.4.4 Young People and Adults not on the Communion Roll

Work with children and young people was particularly affected throughout the Covid-19 pandemic and Scotland remained in lockdown in the first part of 2021. The data presented below should be read with this in mind.

Reports from the Presbyteries showed that as at 31 December 2021:

1. The number of children and young people aged 17 years and under who are involved in the life of the congregation was 26,755;
2. The number of people aged 18 years and over, whose names are not on the Communion Roll, but who are involved in the life of the congregations was 10,775 and
3. The number of children who receive Holy Communion in terms of Act V, 2000, Section 15 was 1,610, 6% of the total.

6.6 Public Worship in 2021

Congregational statistics have been gathered on alternative forms of worship to reflect the continuing changes of practice resulting from the pandemic. Whilst many congregations did start reopening buildings from 26th March 2021, alternative worship provision including online services, 'phone-in' services, distribution of service recordings or printed worship sheets continued. Work was undertaken with other denominations across the UK and Ireland to develop guidelines for gathering such congregational statistics. It is very difficult to obtain accurate estimates for the number of online worshippers. However, the levels of engagement are indicative of the wide reach of worship, and the efforts of congregations across the country to allow all who wish to, to worship with their local congregation.

The figures for in-person and accessible worship attendance for Presbyteries are given in Tables 6a and 6b. The overall response rate to these questions was lower – 73% – with no responses from the Presbyteries of England, Hamilton, Lanark, Lochcarron-Skye, Uist and Wigtown and Stranraer.

57% of congregations offered online worship, with 38% making alternative offline provisions such as phone-in services or worship sheets.

From the congregations who responded, we find that around 61,570 people attended worship in person (22% of members), 45,350 online, and 8,275 in other offline ways. Counts are estimated during a 'regular' week in 2021, i.e. not a major festival such as Easter or Christmas. The figures may include double-counting where people take part in worship in a variety of places, as well as undercounting where a number of people watch on the same device. The estimates provide an indication of the levels of engagement in worship outwith the building. It is not possible to accurately estimate the number of individuals viewing online worship or utilising posted material across the Church as a whole.

6.7 New Worshipping Communities

Information on New Worshipping Communities were requested as part of the Forsyth Report agreed by the General Assembly of 2019, for reporting from 2021.

New Worshipping Communities can take a multitude of forms, and must show evidence of all the following characteristics:

- **Missional:** the focus is on people beyond existing congregations;
- **Contextual:** their format, culture and activities are shaped by the particular setting;
- **Consistency:** a community is developing, with some of the same people participating regularly;
- **Ecclesial:** it sees itself as part of, and is developing connections with, the wider Church;
- **Formational:** participants are encouraged to grow in Christian faith and character

Additional questions were included in the Congregational Statistics to obtain information on those congregations and Presbyteries with a New Worshipping Community during 2021. We present in Table 8 some overall figures; information gathered through this collection will form the basis of further research within Pioneering Ministries.

The overall response rate was 61%, with no responses from the Presbyteries of England, Hamilton, Lanark, Lochcarron-Skye, Uist and Wigtown and Stranraer.

As with other areas of church life, New Worshipping Communities have been greatly impacted by the Covid-19 pandemic with many congregations describing communities that had not operated since the start of the pandemic and moving online.

Within the Church of Scotland:

- 31% of congregations offered at least one New Worshipping Community, with a number of congregations offering more than one.
- Over 400 New Worshipping Communities were reported to be operating in congregations,
- 4 New Worshipping Communities operated at a Presbytery-wide level.
- The majority of New Worshipping Communities were described as Messy Church (35%) and Café Church (14%).
- Other types included Youth Church, Older People's Church, and Forest Church.

A number of New Worshipping Communities were organised in collaboration with other Church of Scotland congregations, other denominations, and some with other organisations. More detailed analysis of information collected on New Worshipping Communities will be undertaken during 2022 within the Faith Nurture Forum.

6.8 Congregational Activities

Congregational activities have been greatly affected throughout the COVID-19 pandemic with some congregations unable to open their buildings to large groups or offer in person activities. This data was not reported upon in 2020 due to this disruption.

Congregations are asked whether they engage in activities relating to:

- School chaplaincy
- Youth work
- Community development
- International links
- Environmental issues
- Political issues
- Health issues
- Economic inequality
- Food Poverty

Data was received from all but two Presbyteries, resulting in the following summary graph:

Figure 2: Congregational activities

Alleviating food poverty (76%) and School chaplaincy (59%) were the most common activities in congregations of the Church of Scotland. Engagement with political issues was the least common with only 13% of congregations.

Since 2019, there has been a marked fall in engagement with young people, with school chaplaincy levels and youth work levels falling from pre-pandemic levels of 77% and 66% to 59% and 52% respectively. Community development has also suffered, falling from 67% to today’s 53%, and alleviating food poverty from 83% to 76%.

3. The purposes of the Fund are to support the numerical and spiritual growth of existing Church of Scotland congregations and of new Church of Scotland worshipping communities through (i) the planting of new worshipping communities; (ii) work focused on the development of new forms and fresh expressions of church life; (iii) creative engagement with all sectors of society in particular with those aged 40 and under, in every case promoting the advancement of religion and the overarching purpose of the numerical and spiritual growth of the Church; and (iv) The enablement of community transformation motivated by Christian service. In the initial three years (2023 – 2026) the Fund shall prioritise the support of: (i) the planting of new worshipping communities and (ii) work with people aged 40 and under.
4. The Fund shall operate for a 7-year period until 31st December 2029. A review conducted by the Trustees shall take place after the first three years of operation and shall measure the success of the Fund against previously agreed criteria to determine future direction and investment.
5. The Fund shall replace the *Go For It* Fund. Administration of grants already awarded out of the *Go For It* Fund shall become the responsibility of the Fund. Monies already committed in the *Go For It Fund* at 31 December 2019 shall be transferred to the Fund.
6. An application to the Fund may be made by a Presbytery or a group of Presbyteries.
7. Applicants to the Fund should be able to show that they have worked diligently to: (i) raise funds from local sources (including the Presbytery/ies and congregation(s) making or involved in the application); and, (ii) raise funds from appropriate external sources. Funding, up to 100%, will not necessarily be contingent on funding being provided by any other body.
8. The Trustees shall provide core funding from the unrestricted funds held on behalf of the Unincorporated Entities. This money shall cover both grants to be paid from the Fund and the administration of the Fund.
9. The Fund may be supplemented by other funds raised within and beyond the Church.
10. The Terms of Reference for use of the Fund set out in the Schedule below shall be developed and monitored by the Trustees and any amendments shall be approved by the General Assembly as part of the annual reporting on the operation of the Fund. The Trustees may also fund grants from restricted funds held by the Unincorporated Entities if the purpose is consistent with donor restrictions.
11. The Trustees shall be responsible for monitoring the ongoing effectiveness of the Fund. The Trustees shall report annually on the work of the Fund to the General Assembly with a focus on how the Fund is achieving its primary aims as set out in section 3 of these Regulations.
12. If the General Assembly decides that the Fund shall be closed before 31st December 2029 any monies remaining in the Fund shall be transferred back to the General Fund.

Schedule

The *Seeds for Growth Fund* Implementation Group Terms of Reference Committee

1. The *Seeds for Growth Fund* Implementation Group (the "Committee") is a Committee of the Assembly Trustees.
2. The purpose for which the Committee is established is to oversee the operation of the *Seeds for Growth Fund* on behalf of the Assembly Trustees. In carrying out those duties the Committee shall adhere to the relevant Regulations issued by the General Assembly and to the guidelines, criteria and governance requirements approved by the Assembly Trustees.
3. The size of individual grants, guidelines, criteria and governance requirements shall be reviewed annually by the Assembly Trustees in consultation with the Committee. Grants in excess of £75,000.00 shall require individual approval by the Assembly Trustees.

Purpose

- (a) the purpose of the Fund is to seek the numerical and spiritual growth of existing Church of Scotland congregations and of new Church of Scotland worshipping communities through:
 - (i) the planting of new worshipping communities;
 - (ii) work focussed on the development of new forms and fresh expressions of church life; and
 - (iii) creative engagement with all sectors of society in particular with those aged 40 and under; and
 - (iv) the enablement of community transformation motivated by Christian service
- (b) the Committee shall, in all its determinations, promote the advancement of religion and the overarching purpose of the numerical and spiritual growth of the Church.

Criteria

The Committee shall assess applications in accordance with the following criteria.

1. Applications must come from Presbyteries or groups of Presbyteries. Collaboration with other partners, specifically including ecumenical co-operation, will be encouraged where such collaboration furthers either numerical or spiritual growth within the Church or community transformation motivated by Christian service.
2. Applications must demonstrate a visionary approach to church growth, church planting and pioneer mission and must set out the anticipated effect of the project at a congregational or Presbytery level and include a clear plan and measurable targets.
3. Applications must provide a realistic assessment of how the project will continue beyond the period of funding and whether it will generate growth elsewhere within the Church.
4. Applications must include means of developing and sharing related experiences and good practice across the Church.
5. Applications must be focused on a defined project.
6. Applications will be assessed in accordance with the following prioritisation:

Of those first appointed, four shall serve three years renewable and three shall serve two years, renewable for a three-year term. Trustee members shall serve during their appointed term as an Assembly Trustee.
2. The Committee shall meet at least five times per year to consider strategy and applications. On special cause shown the Committee may consider an application outwith those times; but in so doing the Committee must determine both that there is an urgency as to the application which requires a special meeting and also that the application is of such importance that to consider it without comparison with other applications would not improperly disadvantage such potential applications.
3. In carrying out their duties the Committee will engage with applicants through regional teams and carry out the process of assessment in partnership with local Presbytery representatives. Each team shall be convened by a member of the Committee and shall comprise two members of the Committee, in addition to two other persons with local knowledge chosen by the Presbytery. Each team shall be appointed to work within the life-cycle of the purpose for which the grant application is being considered. Once a grant application has been approved by the Committee, a team shall report to the Committee both in respect of the terms of the grant and also for determinations on any matter requiring consideration outwith the terms of the grant.
4. A quorum of the Committee shall be five, whether attending in person or by electronic means. One attendee must be an Assembly Trustee and one must be the Convener or another trustee specifically nominated by the Convener for the purpose of the meeting in question. If meeting by electronic means, the Committee shall comply in all respects with the provisions of GA Act VI 2018 (Virtual Attendance at Meetings Act).
5. The Committee shall maintain Minutes of their meetings, duly approved by all members attending within two weeks of the meeting. The Minutes shall include a full account of the work of the regional "team" with a synopsis of all applications received and the reasoning for recommendations made to the Committee.

 - (iii) the Committee shall maintain such accounts as the Assembly Trustees require
 - (iv) the work of the Committee in considering and granting applications shall be carried out in accordance with a budgetary framework, agreed with the Assembly Trustees and
 - (v) any liability arising out of the acting of a Committee member in good faith shall be borne as if the acting of an Assembly Trustee.

All Reports shall be accompanied by the Deliverance to be proposed to the Assembly, and when the Proposed Deliverance exceeds two sections each section shall be numbered consecutively.

42. Circulation of Reports and Proposed Deliverances. It shall be the duty of the Clerks to arrange for all such Reports and Proposed Deliverances to be circulated in the authorised form to each Member of Assembly at least one week before the day of meeting. All Reports so distributed shall be held as read. Each Committee shall immediately after the rising of the Assembly furnish the publisher of the Reports with the number required for circulation.

43. Oral Reports and Reports of Sub-Committees. Oral Reports shall not be received, and no Sub-Committee shall give any Report to the Assembly.

44. In Retentis. Reports shall not be engrossed in the Minutes, but a copy of each Report certified by one of the Clerks as being that given to the Assembly, shall be kept in retentis; and the Reports thus collected shall be preserved among the other Records of the Assembly.

45. Questions on Reports. After the Deliverance on the Report of any Committee has been moved and seconded the Assembly, before dealing with any other motions or amendments thereon, shall have opportunity for asking questions on the Report, this being without prejudice to the right of Members to put questions, with the leave of the Assembly, at any subsequent stage.

46. Questions requiring Notice. It shall be in order to ask questions of the Convener regarding any matter in the care of the Committee to which no reference is made in the Report but in such cases timeous notice shall be given to the Convener.

47. Deliverance. The final Deliverance of the Assembly upon the Report of any Committee shall follow immediately after the consideration of that Report, except in the event of a special reason for the contrary having been approved by the Assembly and recorded in the Minutes.

48. Late Reports. Reports of Committees appointed during the sittings of Assembly, if they propose any motion not already circulated to Members, shall be submitted to the Clerks of Assembly at least one day prior to their being considered, and included in the "Assembly Papers".

52. When Taken. Overtures relating to matters under the care of the Committees of the Church whose reports are on the Agenda for one of the first two days of the Assembly shall be assigned by the Assembly Business Committee (unless the Committee on Overtures and Cases decides not to transmit) to the place in the discussion at which they shall be introduced to the Assembly. In other cases this shall be done by the Procedure Committee. When the Proposed Deliverance of an Overture is capable of being treated as a counter-motion or amendment to the Proposed Deliverance of a Committee, or as a new section of such Proposed Deliverance, it shall be so treated.

53. Grouping. Overtures on the same or cognate subjects shall be grouped by the Assembly Business Committee or Procedure Committee of the Assembly and only one speaker shall be heard introducing each group.

55. Matters Relating to Stipend. It shall not be competent for the Assembly, without due notice of motion in the hands of Commissioners in proper form (for example as a Proposed Deliverance, Notice of Motion or Crave of a Petition), to debate any proposal which might impact directly on or which might bring about binding changes to the terms and conditions of ministers which relate to stipend or stipend scales.

56. Proposals with Budgetary Implications. Prior to making any proposal, Commissioners should give due consideration as to whether this will incur the use of additional resources or affect the incoming resources for the Church's work, ie whether the proposal has budgetary implications. Advice on any proposal can be sought from the General Treasurer. A proposal with budgetary implications must be in the hands of Commissioners in proper form (for example, as a Proposed Deliverance, Notice of Motion, or Crave of a Petition). Specifically, to ensure sensible budget controls:

- (a) Any proposal which involves new or additional expenditure whether of a one-off or recurring nature, must be accompanied by a statement specifying where funding will be found, whether by a reduction of existing costs; funding external to the Church or by an increase in the total amount to be met by congregations.
- (b) Any proposal which results in a potential reduction in income, including a reduction in the total to be met by congregations, must be accompanied by a statement of where replacement funding will be found or expenditure reduced to compensate for the reduction in the income.

The Assembly Trustees shall have the right to comment upon any proposal in category (a) or (b) before any decision is taken.

57. Declaratory or Interim Act. The draft of any proposed Declaratory or Interim Act, as also the draft of any Overture which it is proposed to transmit to Presbyteries in terms of the Barrier Act (other than any Overture circulated in the volume of Reports), shall be circulated to Members and laid on the table of the Assembly at least one day before a Motion for the passing of such Declaratory or Interim Act, or for the transmission of such Overture to Presbyteries, is made in the Assembly.

(d) INTIMATION TO PARTIES

68. Appeal; Dissent and Complaint. In all cases coming before the Assembly by Appeal or Dissent and Complaint it shall be the duty of the Clerks of Assembly to inform the parties on both sides as soon as possible of the time at which such case is likely to be taken by the Assembly. Such intimation shall, unless in a specific case the Assembly determine otherwise, be regarded as sufficient notice.

The Clerks shall further be bound, on application made to them for the purpose, to supply a copy of all papers circulated in pursuance of the foregoing Orders to the opposite party or parties in any case, or to his or her or their duly accredited Agents.

69. Petition. In every Petition it shall be the duty of the Petitioner to make such intimation of the Petition as may be necessary having regard to the nature of the Petition. The Assembly may refuse to dispose of any Petition if in their opinion sufficient intimation thereof has not been made.

71. Decision not to Transmit. If the Committee on Overtures and Cases shall decide not to transmit to the Assembly any papers in cases duly lodged with the Clerks of Assembly it shall report the same to the Assembly at their first Session, or at the Session next after such decision, with its reasons for not transmitting the papers, and parties shall be entitled to be heard thereon at the bar of the Assembly. Intimation of a decision not to transmit papers shall be made to the parties concerned as soon as possible, and in time to allow of their being represented at the bar when the decision not to transmit is reported to the Assembly.

72. In Private. The Procedure Committee shall, in its first Report, specify any case which in its judgement requires to be conducted in private, and any case which does not appear to it to be of that character although the Clerks of Assembly may have reported it as such. The Assembly shall thereupon determine by a special Deliverance, at what stage in the proceedings the papers in such a case shall be issued to the Commissioners. In every case which the Assembly appoint to be conducted in private the instruction to issue the papers shall be accompanied by a special exhortation to the Commissioners to keep them private.

74. Announcement. Before parties are heard in any contentious case the Clerk shall read the following announcement, viz – “The Commissioners are reminded that justice requires that all the pleadings at the bar should be heard by all those who vote in this case, and that their judgement should be made solely on the basis of the pleadings.” Immediately before a vote is taken in such a case, the Clerk shall read the following further announcement, viz – “The Commissioners are reminded that only those who have heard all the pleadings at the bar are entitled to vote in this case.”

75. Appeal; Complaint; One Appellant. In cases brought before the Assembly by Appeal, where there is only one appellant (or one set of appellants concurring in the same reasons of Appeal) and only one respondent (or one set of respondents concurring in the same answers to the reasons of Appeal) the case for the appellant (or set of appellants) shall be stated by him or herself or by his or her counsel, who at the same time shall submit such argument upon the case as he or she shall think fit. The party or counsel so stating the Appeal shall be followed by the respondent or his or her counsel who likewise shall submit such arguments upon the case as he or she shall think fit. At the close of the statement for the respondent the appellant shall be entitled to be again heard, and the respondent shall also be entitled to be heard in answer to the second speech for the appellant and if, in his or her final answer, the respondent shall state any fact or submit any argument not adverted to in his or her answer to the opening statement for the appellant, the appellant shall be entitled to a reply upon the new matter introduced in the final answer for the respondent. With the exception of this right of reply, so limited, more than two speeches shall not be allowed to any party at the bar.

76. Appeal; Complaint; More than one Appellant. In such cases as those referred to in SO 75 if there is more than one appellant (or set of appellants) insisting on the Appeal, or more than one respondent (or set of respondents) supporting the judgement appealed against, (a) on different grounds, or (b) in separate reasons or answers, each appellant shall be entitled to open and state his or her separate case, and each respondent shall be entitled to make his or her separate answer, and the debate shall be closed with a reply for the several appellants; provided always that it shall be competent to the parties, with consent of the Assembly to make any arrangement for conducting the debate other than herein prescribed, if it shall have the effect of limiting, further than is herein done, the number of speeches to be made from the bar.

77. Appeal; Complaint; Who may appear. Any Member of an inferior court whose judgement is brought under review of the Assembly may appear at the bar in support of the judgement; but, when Commissioners have been specially appointed by the inferior court to support its judgement, the Assembly shall not hear any Member of such court other than the Commissioners so appointed, unless any Member not so appointed but wishing to be heard can show a separate and peculiar interest to support the judgement; and in all such cases it shall be competent to the Assembly to limit the number of Members of an inferior court who shall be heard in support of the judgement under review.

78. Dissents and Complaints. In SOs 75 to 77, “Appeal” includes “Dissents and Complaints” and “Appellant” includes “Complainer”.

79. Petition. In cases brought before the Assembly as the court of first instance by Petition, the party promoting the application shall be entitled to be heard in support of the same; and the Assembly shall also hear an answer from any party at the bar claiming to be heard whom it shall consider to be a proper respondent, and the debate at the bar shall be closed with a reply from the person promoting the application.

80. Reference. In cases brought before the Assembly by reference from a Presbytery the reference shall be stated to the Assembly by a Member of the referring court, specially appointed for the purpose, at the bar if not a Commissioner, or in his or her place as a Commissioner if a Commissioner from the Presbytery. The Assembly shall thereafter hear the parties in the case referred in such order as the nature of the case may seem to require, keeping in view the regulations in SOs 74 to 79.

In cases arising from Act VII, 2003, when a request for determination follows a decision of the Partnership Development Committee not to concur in the judgement of a Presbytery, the Convener, or other member of the said Committee, shall be heard at the bar if not a Commissioner, or in his or her place as a Commissioner if a Commissioner, immediately after the request for determination has been stated. After the initial statement and the response by the said Committee when applicable, the General Assembly shall hear at the bar such parties in the case as are not represented by Commissioners, in such order as the nature of the case may seem to require.

VI. ORDER OF DEBATE

(a) ORDER OF THE DAY

82. When the Assembly have resolved that a case or other piece of business shall be taken up at a certain hour mentioned in the Order of Business, such case or other piece of business shall be taken not later than the hour fixed and the business before the Assembly, if not finished at the hour named, shall be adjourned, provided that, in the case of an Order of the Day following the Report of the Faith Impact Forum, such unfinished business shall not be taken up. If, in the opinion of the Moderator, it would be in accordance with the general convenience of the Assembly, the Moderator may allow the transaction of the business then actually under discussion to continue for a period of not more than fifteen minutes beyond the specified time, but no fresh business shall be commenced.

(b) MOTIONS

83. TIME-BOUND

On the motion of the Procedure Committee or moved as part of the deliverance of the Assembly Business Committee, the General Assembly may resolve that the Report and draft Deliverance relating to a particular Council or Committee's Report be taken in a time-bound process of debate and decision. Such a motion shall be moved at least 24 hours in advance of the presentation of the Report concerned.

Having so resolved the General Assembly shall operate the following timetable:-

- a) Start times shall be allotted to specified Sections of the Report and to the related sections of the draft Deliverance. Discussion of any Section of the Report shall not commence later than its allotted start time, but may begin earlier if debate of the previous Section has been completed.
- b) If discussion and debate of a particular Section of the Report has not been concluded within its allotted time, then further consideration of associated sections of the draft Deliverance shall be sisted and the General Assembly shall take up the next Section of the Report.
- c) If, at the close of the debate on the last Section of the Report, there is still time before the Order of the Day requires to be implemented or business is due to conclude, then the General Assembly shall return for further debate of any outstanding sections of the draft Deliverance remaining relative to each Section of the Report.
- d) If the Order of the Day or anticipated close of business is imminent, then any outstanding sections of the draft Deliverance shall be voted upon without debate, except that other motions circulated in the Daily Papers shall also be taken, without debate, the Convener simply having the right to indicate whether or not the Council or Committee is willing to accept the motion.
- e) Where motions appearing in the Daily Papers do not relate directly to the Report and draft Deliverance proposed by the Council or Committee, they will be taken either at the end of the appropriate Section, if there is time available according to the allotted timetable, or at the end of the appropriate Section when the procedure leading to the Order of the Day (or close of business) is being implemented.

84. Right to Move. Any Commissioner to the Assembly may make a motion upon any matter coming regularly before the Assembly; and on rising to do so he or she shall read the terms of the motion having previously handed the same in writing on the form provided to the Assembly Office or other point of collection intimated to the General Assembly. It shall be in order to move a motion regarding any matter in the care of a Committee to which no reference is made in the Report of that Committee, provided that reasonable notice has been given in writing to the Convener before presentation of the Report. The mover of any counter-motion or amendment may reply to the discussion of his or her motion, immediately before the Convener closes the debate.

85. Withdrawal. When a motion has been duly seconded it shall not be competent to withdraw it, or to make any alteration upon it, without the permission of the Assembly.

86. Priority of Deliverance over other motion. The Deliverance on the Report of a Committee shall take precedence of any other motion on that subject.

87. Committee Convener. The Convener of a Committee when a Commissioner, on giving in the Report of that Committee, shall move the Deliverance proposed in terms of SO 41. A Convener, when not a Commissioner, shall be allowed to submit the Report of the Committee, and to give explanations in the subsequent discussion. In such a case the Principal Clerk, whom failing, the Depute Clerk, shall formally move the Deliverance. In all cases the Convener shall have the right of replying to the debate.

88. Introducer of Overture. The Introducer of an Overture, if a Commissioner, shall move the Deliverance; and if he or she is not a Commissioner the Principal Clerk, whom failing the Depute Clerk, shall formally move the Deliverance. The Introducer, whether a Commissioner or not, may answer questions or give explanations in the course of the debate and, if a Commissioner, may reply to, the discussion immediately before the relevant Convener closes the debate.

89. Notice of Motion. Commissioners are encouraged to give advance Notice of motions. Any Commissioner may, during the sittings of the Assembly, give advance notice of Motion on any subject due to come regularly before the Assembly, other than a contentious case. Notices of Motion so given in shall, if received in time to do so, be included in the "Assembly Papers" not later than the day on which the business is to be taken. Such circulated Notice of Motion shall confer no right of priority of moving same, the Moderator being the sole judge of the order in which Members are entitled to address the Assembly.

(c) THE DEBATE

90. The Chair. Every speaker shall address the Assembly through the Moderator, and the correct address is "Moderator".

91. In Support. When a motion or motions have been made and seconded, any Member (including a formal seconder in terms of SO 95) may take part in subsequent debate.

92. Speeches. (1) Except as provided in SOs 84 and 87, no Member may speak twice on the same question except in explanation, and then only by special permission of the Assembly. (2) Members shall make relevant declarations of interest where the topic of debate makes it appropriate to do so.

93. Point of Order. Any Member may rise to speak to a Point of Order. A speaker is not to be interrupted unless upon a call to order. When so interrupted he or she shall cease speaking, and shall resume his or her seat until the Point of Order is decided. The Member calling to order shall state the grounds for so doing; and the speaker who has been interrupted may briefly reply in explanation, to show that he or she is not out of order, but no other Member may speak to the Point of Order unless with the permission or at the request of the Moderator, with whom the decision of the point rests, though the Moderator may put the point to a vote of the Assembly.

94. There shall be no right of reply to a debate except as provided for by SOs 84 and 87.

95. Limits. All speeches shall be limited to 5 minutes, with the following exceptions:

(i) COMMITTEES Convener giving in the Report of his or her Committee and moving thereon (seconding to be formal) 15 minutes

(d) in any other matter when the Assembly Business Committee (in respect of the Order of Business for the first two days) or the Procedure Committee (in respect of the Order of Business for the subsequent days) declares that, in its opinion, such matter is of exceptional importance, and when the Assembly adopt that opinion.

(d) DEALING WITH MOTIONS

97. Character of Motions. Motions shall be considered as belonging to one of the following categories, and shall be dealt with as prescribed, viz:

1. The original Motion.

2. Counter-Motions – being Motions contradictory or negative of the original Motion or of a substantial part of the original Motion.

3. Amendments being Motions not substantially contradictory of the original Motion or Counter-Motion, but for making deletions, alterations, or additions thereto without defeating its main object.

4. Amendments of amendments already moved and seconded.

98. Moderator to Judge. The Moderator shall be judge of the category to which any Motions shall be considered to belong, and the ruling of the Moderator shall be final.

99. Grouping of Amendments. When to any Proposed Deliverance there has been given notice of amendments which differ from each other only slightly in their general tenor, the Moderator shall decide whether or not to permit more than one of such amendments to be moved.

100. Voting on Amendments. When an amendment (Category 3) has been proposed it shall be disposed of by the Assembly before any other counter-motion or amendment is proposed. However, it shall be in order for an amendment of an amendment (Category 4) to be proposed, seconded and debated, after which the Moderator shall take a vote "For" or "Against". When all such Category 4 motions have been so disposed of, the Assembly shall complete its consideration of the original amendment (Category 3) and the Moderator shall take a vote "For" or "Against" the original amendment amended or unamended as the case may be. For the avoidance of doubt, it is affirmed that the order of debate for Category 3 and Category 4 motions shall be the same except as herein provided and that the provisions of SO 87 shall apply to both.

101. Voting on Motions. After all amendments, if any, have been disposed of, the Moderator shall take a vote between all Motions in Categories (1) and (2), and in doing so shall adopt the following procedure. A vote shall be taken in one of the methods provided below, between all the Motions in the order in which they were made, beginning at the first. Each Commissioner may vote for one Motion only. If, on the numbers being announced, one Motion has obtained a clear majority of votes, all the other Motions shall fall; but if no Motion has obtained a clear majority, the Motion having the smallest number of votes shall be struck off and a vote taken between the remaining Motions; and the Assembly may determine.

102. Voting for Appointments. In the case of voting for appointments to vacant offices in the Church, where there are more than two nominations the Assembly shall vote separately on all the names proposed, and, unless there be a majority in favour of one over all the others combined, the one having the lowest number shall be dropped, and the Assembly shall again vote on those that remain.

103. Deliberative Vote. The Moderator or Acting Moderator in the Chair shall have no Deliberative Vote.

104. Casting Vote. If in any division there shall be an equality of votes for two proposals before the Assembly, the Moderator shall have power to give a deciding vote; and if in the course of the voting as provided in SOs 100 and 101 above, there should be an equality of votes for the two Motions having fewest votes, the Moderator shall have power to give a deciding vote and the Motion for which the Moderator shall vote shall be retained for the purpose of the next vote of the Assembly.

(e) TAKING THE VOTE

105. The Moderator may, in any circumstances and at his or her sole discretion, ascertain the mind of the Assembly by asking the Commissioners to stand in their places, and shall intimate to the Assembly on which side there is in his or her opinion a majority. Unless the opinion of the Moderator so intimated is at once challenged, it shall become the decision of the Assembly. If any Commissioner challenges the opinion of the Moderator, the Assembly shall proceed to take an electronic vote using a system approved by the Assembly Business Committee. Alternatively, it shall be open to the Moderator, again at his or her sole discretion and in any circumstances, to ascertain the mind of the Assembly by recourse to the use of electronic voting. After all votes have been counted the Moderator shall intimate the result of the voting which will become the decision of the Assembly. In no circumstances shall a second vote be taken on a matter which has already been the subject of a vote by electronic voting. The Procedure Committee shall ensure that Commissioners are familiar with the method of electronic voting and will appoint Tellers to assist Commissioners, where necessary, with the process of casting votes and to assist the Assembly with the process of voting by paper ballot which shall be a competent alternative to the taking of a vote by electronic means in the event of a failure in the electronic voting system.

(f) DISSENTS

106. Entering. Any Commissioner dissatisfied with a judgement of the Assembly, which has not been unanimous, has the right to enter his or her dissent against it; but no dissent can be given in until the matter to which it refers has, for that session, been disposed of, the Minute adjusted, and the Assembly is ready to proceed to other business.

107. Adhering. When a dissent has been entered, it is in order for any other Commissioner present when that judgement was pronounced to adhere to such dissent. No other’s adherence may be entered.

108. Reasons. A person dissenting may do so with or without giving in reasons of dissent. If he or she dissent for reasons given in at the time, or to be afterwards given in, such reasons shall, if received by the Assembly as proper and relevant, and provided they are given in before the close of the next session (or, when made on the last day of the Assembly, before the close of the same session), be recorded in the Minutes.

109. Answers. If the Assembly appoint a Committee to prepare answers to reasons of dissent, the Report of the Committee shall, except on the last day of the Assembly, be in the “Assembly Papers”; and, as approved by the Assembly, shall be included in the Minutes, if the reasons of dissent have been so circulated.

110. Record of Dissents. Reasons of dissent and answers thereto when not entered in the Minutes, shall be kept in a separate Record of Dissents.
