Learning for Me

It starts with us; Jesus calls us all to follow him. We're called to walk with him and to learn from him, just like the first disciples did. Church of Scotland Learning can equip every individual in their journey of faith.

Learning for Everyone & Learning Together

Whether you sit in the pew or stand in the pulpit there are learning resources here for you to deepen knowledge and strengthen faith as we grow together, encouraging each other to follow with faith, courage and confidence.

Learning in Action

Join others on the journey and take your next step with Church of Scotland Learning today! For individuals and for groups, there's something here for everyone in our church.
