## The theme for Prisoners Week 2024 is 'HEAR MY VOICE'

We live our lives surrounded by the voices of those trying to get our attention... But how do we give voice to those unheard? Prisoners Week 2024 invites you to hear the voices of those affected by or working in the Justice system. Our official launch service is in **Perth on Sunday 17th November** with guest speaker Graham Bell, chaplain at HMP Glenochil.

There will also be an opportunity to speak with charities and organisations working in Scotland's prisons in The Marketplace (operating 30 minutes before and after the service).
